School News

As we end our final week of remote learning, we look forward to welcoming children back to school on Monday. I'm sure children and families have mixed feelings about next week; excitement - being back in school with their friends and teachers, nerves about what school might look like next week. We recognise these worries, and as a school, have put together a plan to ensure that the return to school is as safe as possible, but also to ensure that children's well-being is at the forefront of everything we do. Teachers have been working hard to plan a week which will ease children back into the 'normal' school routine.

We urge parents to read through the 'return to school' letter if you haven't already ([click here to view the letter](#)). This letter details information on the start/end of day routines, hygiene routines, before and after school clubs etc.

Have a restful weekend and we look forward to welcoming children back to school on Monday morning.

This week

Nursery

This week the children in Nursery have been looking at some of our favourite books for World Book week.

HOLY TRINITY PRAYER

Dear God, As we come to the end of another week, we want to thank you for looking after us, our families, and our friends. Thank you for the nice day we've had today celebrating World Book Day, and for all the things we've learned this week. Thank you for books and for the talented authors who write them for us to enjoy. Help us to enjoy the weekend, to stay safe and bring us all back safely together next week. We pray that everyone will be looking forward to coming back to School next week and that you'll help us all to settle in well. Amen.
